

# Woodworking tour in Japan 2014

November 6, Thursday - 20, Thursday

This tour is specially designed for wood and hand tool fans.

You will attend wood/tool related events and make exclusive visits to the capitals of Japanese tradition, during the high season for autumn leaves.

For the whole program, you will be accompanied by two bilingual wood and tool specialists so that you can get to know more about the field you love!

# Woodworking Tour 2014

Exclusive programs for wood and tool fans
